

Aurora PD Announces Package Theft Prevention Initiative

Aurora, CO – This week, the Aurora Police Department in partnership with the United States Postal Service (USPS) conducted a comprehensive, community based prevention initiative focused on package theft. The goal of the initiative was to provide ongoing prevention, protection, and enforcement activities related to package and mail theft. Amazon and Ring also assisted with the operation. Officers placed several packages throughout Aurora in order to seek out potential package thieves. The decoy packages used in the operation contained trackers that could be used to track the various packages if they were stolen.

The initiative resulted in [##] arrests, and officers were able to obtain information on other individuals believed to be involved in package thefts. The Aurora Police Department will continue to run similar operations throughout this holiday season.
